

## Colorado

The sugar-using industry generates more than 600,000 jobs nationwide, including up to approximately 6,800 in Colorado. To help maintain these jobs and support job creation in Colorado and across America, Congress must reform the current U.S. sugar program.

### Colorado Sugar-Using Industry Employment & Economic Contributions<sup>1</sup>

Sector	Employment in the United States (2012)	Establishments in Colorado (2012)	Employment in Colorado (2012)	Annual Payroll (millions) <sup>2</sup>	Value of Shipments (millions) <sup>3</sup>
