

## Wisconsin

The sugar-using industry generates more than 600,000 jobs nationwide, including up to approximately 18,700 in Wisconsin. To help maintain these jobs and support job creation in Wisconsin and across America, Congress must reform the current U.S. sugar program.

### Wisconsin Sugar-Using Industry Employment & Economic Contributions<sup>1</sup>

Sector	Employment in the United States (2012)	Establishments in Wisconsin (2012)	Employment in Wisconsin (2012)	Annual Payroll (millions) <sup>2</sup>	Value of Shipments (millions) <sup>3</sup>
